Dear Mr. Chrisman:

We received reports from Dr. Brath and Dr. Rozansky recommending termination of your monitoring program.

We have reviewed your medical file and have determined the monitoring reports can now be discontinued. Enclosed is your first-class medical certificate, valid until the normal date of expiration. In the future, your first-class medical certificate may be issued by any Aviation Medical Examiner (AME), if you are otherwise qualified.

Continued airman medical certification remains contingent upon your total abstinence from the use of alcohol.

Sincerely,

 for

Brian D. Johnson, M.D.  
Acting Manager, Aerospace Medical Certification Division  
Civil Aerospace Medical Institute
